SUBJECT: Request for Proposal #NNK12394994P, Steerable Tracking Antenna,
with Options

This acquisition requires the offeror to provide all personnel, materials and equipment necessary for the acquisition and installation of a steerable tracking antenna system for the Radio Frequency and Telemetry Station (RFTS) at Kennedy Space Center, Florida, as stated in the attached Statement of Work and Specifications.

Submit proposal to Gloria McIntosh at the Central Industry Assistance Office, 7110 N. Courtenay Parkway, Merritt Island, Florida 32953, by **4:30 p.m. local time, January 12, 2012.**

The following narrative highlights some of the important aspects of the RFP. It is not intended to cover all RFP requirements.

1. The resultant contract type will be a Firm Fixed Price contract for the acquisition and installation of a steerable tracking antenna system for the Radio Frequency and Telemetry Station (RFTS), with an option to purchase either one or two additional antennas in fiscal year 2013.
2. An optional site visit will be held on December 15, 2011.
3. The period of performance is from effective award date of the contract through four months, with an option to purchase additional quantities in fiscal year 2013.
4. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement.
5. Offeror is required to submit with their proposal a detailed Safety and Occupational Health Plan in accordance with KSC 1852.223-73 Safety and Health Plan (Nov 2004) and the completed Kennedy Space Center Lift Plan For Construction Contracts.
6. Offeror is encouraged to ensure that they have submitted the required documentation and that their company is listed in the on-line database for the following:

Central Contract Registry <https://www.bpn.gov/ccr/>
Online Representations and Certifications <https://orca.bpn.gov/>
Contractor is required to have a cage code that matches the corporate address submitted with its proposal.

This solicitation neither commits the Government to pay any cost incurred in the submission of the offer or in making necessary studies or designs for preparing the offer, nor to contract for services or supplies. Any cost incurred in anticipation of a contract shall be at the Offeror's own risk.
